## Welcome!

Welcome to new families and students. This Summer newsletter will update you on some of the startup procedures and help prepare new and established families for the upcoming year. The custodial crew are well into getting the facility fully prepared for the upcoming year – thanks for your hard work. We look forward to coming back to a shiny facility. We are very excited to see our gym floor repainted this summer as well.

## Student Timetables

Students completed the course selections. We have used selections to create the courses offered. Your Seaton student may have selected a course that did not get offered or is in conflict with other requested courses. These students will be programmed into other courses to meet their graduation needs. We do not give spares in the first semester. Second semester spares are given to students in Grade 12 who have the full credits for the year. These students are generally taking a course outside of the timetable and have the extra credits on the year. Thank you Mr. Chris Colclough and Mrs. Charlene Lau for your work in getting timetables ready for our students. **Students timetables will be released in MyEd BC on August 20.**

The counsellors, Mr. Colclough (A-L) and Mrs. Lau (M-Z) will be available for change requests on August 26 12pm to 3pm and August 27-30 starting at 8:30am to 3pm a through to August 30. You can make appointments through the office in this week or you can email

[ccolclough@sd22.bc.ca](mailto:ccolclough@sd22.bc.ca) and [clau@sd22.bc.ca](mailto:clau@sd22.bc.ca). Mrs. Lau has an online change request form that can be used as well.. Link to Master Schedule (also listed in online form)

## Grade 8 Introduction

On August 28, at 10:30am, we will be hosting the grade 8 introduction. Grade 8 students are welcomed to the school, given their timetable, locker, and the opportunity to tour the school to find out where their classes are. This introduction will take about an hour. We encourage students to purchase locks from Seaton for \$5 on this day. These will be replaced for free if they malfunction. Students can also pay their student fees on this day.

## BYOD

Seaton Secondary has Wifi that is accessible to students. This comes with a need for student responsibility and respect. This can benefit students in learning how to use electronic platforms that are currently used in Universities and Colleges and allow students to connect with their schoolwork at home and at school. This wifi is **not** a service for greater cell phone use. We recommend that students use a device with a keyboard. The current expectations for the use of electronics will be reviewed on the first day and in our first assembly.

## New Student Registration

New students in our catchment can come in during the week of August 19 – August 23 to register and August 26 - 30. Students in our catchment can still register on Tuesday, September 3, but will not start until a timetable is built. Some new students may be asked to wait until after Friday, September 9 while we determine available class spaces. We are very sorry for the inconvenience and will work hard to ensure all of our students can meet their goals for the 2024/2025 school year.

## WL Seaton Secondary Staff to date

## Student Handbook and Code of Conduct:

The student handbook and code of conduct will be sent to all families with the September newsletter. The code of conduct is reviewed with all students in group assemblies and in classes and is also available to review on the website. These will both be reviewed for updates with parents, staff and students during the first two months.

## Demographics, Lates and Absences:

If your Seaton student is late or absent, please contact the office at 250-542-3361. This will save us a lot of time tracking students that could otherwise be used to help the learning of our students. Please let the office know of any change in phone numbers, address, or email so that you can stay up to date with the latest at Seaton Secondary.

## Grad 2025

We look forward to making this the best year for our 2025 grad students. I will be taking the lead role in making sure this year's grad events are exceptional. This cannot happen without the help of the fantastic parent volunteers. The first parent meeting is on September 17, at 6:30pm in the Seaton Learning Commons (Library).

## NEW SCHOOL MOTTO

Our School Motto: Labor Omnia Vincit is overdue for a renewal. We will be encouraging students and families to help us in re-establishing the Seaton motto in the 75<sup>th</sup> year of WL SEATON SECONDARY.

## Transportation-Bus Information

If your child uses the school district bus service they must be registered with the Transportation Department. You can find the registration form and bus route information on the following website.

**Please advise your children to look for this Route Number and not for the bus number to identify their bus.**
