Student Timetables and Course Changes:

Courses at Seaton are very full this year so accommodating requests to change courses may not be possible. Counsellors have a sign-up process for meetings to request course changes.

Students with last name A-L can line up outside of Mr. Colclough's office, only when they don't have a class. Students with last name M-Z use a sign-up sheet on Ms. Lau's office. She will call you down from your class when it's your turn.

Follow the schedule below (unless your counsellor has requested you at a different time).

Tuesday September 8th our counsellors will be focusing only on students who do not have complete schedules in Semester 1 (have empty block).

Wednesday September 9th is only for Grade 12 students requesting changes.

Thursday September 10th is only for Grade 10 and 11 students requesting changes.

Friday September 11th is only for Grade 8 and 9 students requesting changes.

Mon Sept 14 to Fri Sept 18 is open to all students.

Note: students without complete schedules in Semester 1 can book an appointment on any of the days above.

All students are expected to attend the classes on their MyEd schedule even if they would prefer a different schedule or are anticipating changes.

Academy Students - First Day of School

Some Academies are not yet running on September 8th. Academy students who are here for the full morning on September 8th are expected to go to the Commons to sign-in and spend their academy blocks there. Please bring a book or study materials to work on in the Commons during those blocks.

Phone Expectations

Please see attached poster.

School Photos are ordered online. A message will be sent home on the week of school photos asking your permission to allow Mountain West to use your email address to send you your proofs and order access number. Please ensure that your information is up to date with the school.

Student Code of Conduct:

We will be meeting with students to review these. Please take the time to familiarize yourself with the Code of Conduct for Seaton Secondary. The chart form of our expectations is up in every classroom as shown in the picture on this newsletter.

Everything French

Bonne rentrée scolaire à tous !

This year's newsletter will include a new French Programs section to share upcoming events, opportunities, and important information. The French Program Coordinator at Seaton is available to support families with any questions related to French Immersion and French as a Second Language programs.

We encourage French Immersion families to maintain their membership with Canadian Parents for French (CPF), as membership helps CPF secure funding for valuable student activities, and we are always looking for parents to join our French Advisory Committee (FAC), which meets three times per year to support and promote French Immersion and French as a Second Language programs across the district.

For more info, please contact: Yfiala@sd22.bc.ca

Demographics, Lates, Absences:

If your Seaton student is late or absent, please contact the office at 250-542-3361. This will save us a lot of time tracking students that could otherwise be used to help the learning of our students. Please let the office know of any change in phone numbers, address, or email so that you can stay up to date with the latest at Seaton Secondary.
